

# Welcome!

## WAVES OF CHANGE:

## SETTING SAIL ON OCEANS OF OPPORTUNITY

Dear Colleagues,

As we launch CASP 2016, we thank you for your support and commitment to our two professional organizations: Texas Association for Developmental Education (TADE) and Texas Chapter of the College Reading and Learning Association (TxCRLA). We first held a joint conference thirty-five years ago, and we have waited eight years before returning to this beautiful *"Sparkling City by the Sea"*-Corpus Christi. From the deck of the USS Lexington to the home of the Whataburger and downtown Surf Museum, you will be dazzled by the scenery and sights of Corpus, "The Texas Riviera"!

As we *"set sail"* into the conference, let's enjoy our distinguished keynote speakers, Dr. Lee Ann Nutt and Dr. Juan Carlos Huerta, gather new "promising practices" from our concurrent sessions, visit with old friends, meet new ones, and together celebrate our professional accomplishments. We are aware that developmental education issues have expanded and evolved over the years, but what has never changed is our unwavering resolve to examine and address these issues, with student success always our anchor.

All the best on the Corpus Christi Bay,
